(Something good you hear about in Hannahville)

abte nib gises - Half Summer Moon July 2013

## Hannahville Indian Community's 37th Annual Great Lakes Area Traditional Pow Wow

The Pow Wow was held June 21-23, at the Woodland Gathering Grounds. Over the weekend there were 16 drums and close to 300 registered dancers! Although many were worried about the rain, for the most part the weather cooperated and the event was a success.

Congratulations to Brianna Malinowski who was crowned the new 2013-2014 "Miss Great Lakes". Brianna is 10 years old and is going into the 6th grade at Hannahville Indian School.

Culture Committee starts planning this event months ahead of time. There's a lot of work that goes into an event of this size. From the first stages of contacting Head Staff and sending out flyers to giveaway shopping and setting up all the chairs, it takes many people countless hours to make the Pow Wow successful. Migweth to everyone who made it possible!

# Hannahville's 37th Annual Pow Wow

The heartbeat of the drum vibrated throughout the dance arena and the sounds of bells and jingle dress dancers were everywhere. Smiling, happy faces handshakes and hugs renewing friendships and making some new friends. A time of renewal, letting bygones be bygones and starting over. Leaving old feelings and hurts beyond the circle and entering the arena free to dance for those that cannot, the elders, the babies, the sick and for those that walked on, we do it for them. For the most part when we gather to dance hearing the drums, the invocations and the stories remind us of all of our relatives who walked on and we remember them in this way. Stirring up memories of how each of them liked the friendship of the dance.

Today we have the sounds of not only the drums but we have laughter and laughter and language and through it all we who take part have the rare opportunity to go through a simple but powerful healing process because we know we do it for them. It is times like this when I can recall one of our elders saying a long time ago, "The sounds of the drums went silent." In the early seventies we did not have a social drum in the entire community. A couple of community members had to go borrow a drum from Lac Du Flambeau in order to answer the call of the drum and a song that came down the creek at a sunrise ceremony on a cold winter morning way back then. Ernie T the Medicine man from Canada cried and through tears said "my tears are for you people here because you lost your ways." Shortly after that the Sacred Fire was rekindled and around that Fire the old teachings came back, today we have what many of the old one's did not.

The smell of sage burning as a smudge to purify and cleanse the area of bad feelings and negativity followed by sweetgrass to bring in something good to fill the void caused by the cleansing. Each of the old ones who shared or showed us the medicines gave us the means of survival, they gave us our spirituality, they showed us what unconditional love is all about. They gave so that we could have the ability to endure like they did because they relied on spiritual tools not spiritual toys. They gave us the fire and the teachings so that we could pass it on to the next generation. That is all we ever wanted to do was pass it on because they told us that the only way we can keep it is by giving it away. We are very fortunate to have what we have.

Our Pow-Wow Grounds are second to no one thanks to the Hannahville Indian Community under the leadership of the Tribal Council. To all the past and present members of the Tribal Council, thank you all so much for your continued support in helping to make the Pow-Wow what it is today. You gave the resources and the Pow-Wow/Culture Committee gave of themselves to make it the success that it is. A great big Mi Gwethth to the Committee I am so proud of your effort, your hard work and your commitment and dedication to making this yearly event what it is today. Thanks to all the workers, volunteers and a special thanks to all the Veterans for the fresh new start, you guys looked great.

Ge che Migwethth.

# Escanaba's Sesquicentennial Celebration

Hannahville Indian Community's Culture Committee was invited to participate in the Esky 150 Celebration. The 10-day long celebration included special events and activities to commemorate Escanaba's past and embrace the future.

The first event was the opening parade down Ludington that was held on Friday, July 5, 2013. Culture Committee made a float (pictured on the right) that resembled a lodge. A statue of a fire-keeper sat in the middle while members of our community were dressed in their traditional outfits. Hannahville Indian Community employees, Culture Committee members and Tribal members walked along side the float and handed out candy, decks of cards from the casino and various trinkets.

On Thursday, July 11, Culture Committee organized the "Native American Awareness Celebration". It was held at the bandshell in Ludington Park. Dancers and singers from Hannahville put on performance style exhibitions while Vicki Dowd emceed the event. A program was available for attendees that briefly explained pow wows, different dance styles, songs, and pow wow etiquette. Vendors and various stations were set up where members of Culture Committee and Tribal members demonstrated and helped participants make crafts such as dream catchers, small pouches and chokers.

There was an overwhelming positive response from the public at both Esky 150 events. Thank you to everyone who attended and helped make both days a success. Culture Committee looks forward to participating in future events that allow them to educate the public about Native American culture of the Great Lakes area.

# Potawatomi Gathering

The 19th Annual Potawatomi Gathering is being hosted by the Pokagon Band of Potawatomi at its Rodgers Lake property, August 5-11, 2013. Throughout the 6 days there will be various conferences, activities and events.

The Potawatomi Gathering provides an opportunity for Bodéwadmi people from across North America to come together for language and cultural demonstrations, recreational activities, meals, socializing, and a pow wow. The tribal councils and service programs from the various Potawatomi bands will also meet to discuss business and issues affecting Potawatomi communities across the U.S. and Canada.

The idea for the Gathering began over twenty years ago when Potawatomi leaders recognized they had been separated for too long and needed to come together to share experiences, ideas, and to reconnect as family. It has grown into a multi-day event attended by several thousand Neshnabék annually. Hosted by a different band every year, this will be the third time Pokagon Band has served as host.

## Workshops

Join Potawatomi tradition bearers for workshops and talking circles on history, culture, art and ceremony at the Rodgers Lake Long House, tents and cabins. Pottery, hand drum making, basket making, and rattle making are some of the workshops that will be offered.

The expectation is that you'll start and finish the project during the workshop (except for pottery, which will require a second workshop to finish the project). Children must be accompanied by an adult.

## Tournaments

Sign up your teams for athletic tournaments and share some competitive but friendly sporting events with other Potawatomi. Keep good sportsmanship in mind, and the tournaments are sure to be a fun time for all. Most games will take place at the Rodgers Lake Sports Complex Friday and Saturday, with the exception of the Golf Outing, which will be Wednesday at the Hampshire Golf Club.

Pre-registration for the following tournaments is available online: softball, basketball, 5k Walk / Run, volleyball, horseshoes, archery, lacrosse, canoeing and the golf outing.

## Youth Activities

Potawatomi kids and youth will find lots to do at the Gathering. Whether they're just looking for fun games or want to explore future college or career options, kids can find plenty to stay busy during the week. And don't miss the Teen Dance Thursday night at 9 at the Rodgers Lake Pavilion!

## Games

Come one, come all to the Game Fest tent Thursday, Friday and Saturday at Rodgers Lake, and test your skill with other Potawatomi in a variety of Gathering Games! On Saturday morning, anyone can sign in at 9 a.m. to participate in a tournament of the games played on Thursday and Friday.

## Pow Wow

The pow wow will take place at Rodgers Lake starting at 6 p.m. on Friday, August 9 and Saturday, August 10. Join us for traditional dancing, drumming and the crowning of Miss Potawatomi.

If you are interested in being a candidate for Miss Potawatomi Gathering 2013, please review the guidelines, and then fill out and return your candidate registration form available online.

Please visit [www.potawatominations.com](http://www.potawatominations.com)

## HANNAHVILLE SIGN UP

Hannahville Tribal members that want to attend the gathering need to sign up at the Administration Building. The sign up sheets for both the bus and drivers is on the lobby desk. Once each list has reached 100, names will be put on a waiting list. *Drivers only get hotel rooms. All other expenses are your own responsibility.*

The buses will be leaving the Casino parking lot on Thursday, August 8th at 8:00 a.m. The hotel rooms will be located in Elkheart, less than 30 minutes away. Both hotels have indoor pools.

Call Anna Larson with any questions at 723-2623.

# UP State Fair

## “Native American Day”

Sponsored by the Hannahville Indian Community, Native American Awareness Day will be Thursday, August 15, 2013 at the UP State Fair. Activities are planned throughout the day that will showcase Native American culture. This very special event will feature both equal parts entertainment and education. Drummers, dancers, crafts and food vendors will be featured in the activities tent near the Grand Stand.

Tribal members throughout the area are invited to take part in this event. A pow wow will be held with Grand Entry beginning at 1:00 p.m. The event will be emceed by Vicki Dowd who will engage the crowd and educate them about pow wows and culture of the Great Lakes area Native Americans. The day will conclude with a giveaway at 5:00 p.m.

Any Tribal member with a Tribal Identification card will receive a discounted gate admission on this day. Adults (13 & up) \$5; Youth (5-12 yrs. old) \$3. Please make sure your children have their Tribal I.D.'s to receive the discount.

Hannahville Indian Community employees have been granted this day off according to the revised 2013 Holiday Schedule. If you do not work for the community, please request this day off 2 weeks prior so you can attend.

Culture Committee is looking for vendors, demonstrators and dancers. Honorariums are available. Please contact Molly Meshigaud at (906) 723-2274 for more information.

For a complete schedule of events, visit [www.upstatefair.org](http://www.upstatefair.org)

## STATE FAIR Wristbands

# Exercise Kids' Minds During the Summer

## Report to PARENTS

If students laze away the days of summer without using their minds, they can lose up to a month of learning—especially in reading and math. Stem the summer slide and keep your child engaged with these fun, brain-friendly activities.

**Devise a plan.** Tell your child that reading and learning activities will be an important part of their summer. Assure them that they'll still have lots of time for play.

**Teach mini-lessons.** Transform everyday activities into learning opportunities. Children can count change, read directions for a trip, write a shopping list, or calculate a recipe's measurements.

**Gather activity books.** Give children their own activity book with crossword puzzles or number games customized for their specific age group. Set a "due date" to keep them on track, but let them work at their own pace.

**Initiate a writing project.** Have your child keep a summer journal, write letters to family members or friends, or craft a play to perform with siblings or neighbors. Or, start a family cookbook with your favorite recipes, instructions, and shopping lists.

**Strategize screen time.** Educational computer games or apps can engage students' minds, but make sure your child is spending enough time away from the screen. Assign a daily block of time for family members to turn off phones, computers, and the TV, and instead play a board game or read together.

**Designate daily reading blocks.** Set aside at least 15 minutes a day for your entire family to read. (That means parents, too!) Find reading recommendations by grade level on the American Library Association's book lists (see Web Resources). Organize a summer read-a-thon with goals for each family member, or sign your child up for your library's summer book club.

**Go global.** Set aside several nights during the summer to have an international evening. Together, cook a meal with recipes from a different nation. Learn basic words in that country's language. Find the country on a map, and together examine a book or article with information on what life is like there.

**Sneak learning into family trips.** If your family is able to take a vacation during the summer, include stops at zoos, children's museums, or historic sites. Have your child help you plot out the journey using maps and keep a journal along the way. Older children can tally up miles, keep track of expenses, or compute gas mileage.

**Get moving.** Build physical activity into your child's summer days. Even if he or she can't participate in a local sports league or community-based team,

encourage activities such as jumping rope, playing catch, and taking family walks.

For more resources, look to your child's school and your local library or community center for ideas to keep kids' brains buzzing during the dog days of summer.

## Hannahville Indian Community Report From: Enrollment Department

Presented by current Enrollment Clerk: Jackie Kang

### MEMBERSHIP

As of June 3, 2013, our current Enrolled Tribal Membership is **891**.

Listed below are some statistics showing the growth that has been occurring during the past eleven years starting with the current year. As you will be able to see in the past 11 years our membership has grown by 3%.

YEAR	# ENROLLED	INFANT/TODDLER
2013	13	11
2012	23	16
2011	15	14
2010	25	19
2009	23	16
2008	21	17
2007	10	10
2006	16	12
2005	21	17
2004	27	18
2003	26	18
2002	32	26

As of June 3, 2013, the total of Registered Descendants is **439**. Since 2010, 106 of them were registered.

YEAR	# ADOPTED
2013	2
2012	1
2011	1
2009	1
2006	2
2005	3
2004	5
2003	6
2002	4
2000	3
1997	2
1995	1
1994	2
1993	2
1980	1
1979	1

Since 1979 there have been 37 individuals adopted into the Tribe. *If a year is not listed, there were 0 adoptions that year.*

Adoptions are made by a majority vote. The number of votes needed is determined by the number of votes casted, not the number of registered voters. This means if there are 200 votes casted, the individual would need 101 "yes" votes to be adopted.

Elections are held every year in May.

### CONSTITUTION AND BYLAWS OF THE HANNAHVILLE INDIAN COMMUNITY

#### ARTICLE III---MEMBERSHIP

Section 1. All persons of Indian blood whose names appear on the census roll of April 1, 1934, of the Crandon Sub-Agency and who were at the time of that roll residing or entitled to reside on land bought in Michigan under the Act of June 30, 1913, and all their descendants who' are so residing or entitled to reside at the time of the adoption of this Constitution are members of this Community. Within 2 years after the adoption of this constitution the governing body of the Community may correct the above mentioned census roll, if necessary, with the approval of the Secretary of the Interior.

SEC. 2.(a) Every child born to any member of the Community provided such member is a resident of the reservation at the time of birth of said child shall be a member of this Community.

(b) Every child both of whose parents are members of the Community shall be a member of this Community.

(c) Every child of one-half or more Indian blood born to any nonresident member of the Community shall be a member of this Community.

SEC.3. The members of this Community may by a majority vote adopt as a member of the Community any person of Indian blood related by marriage or descent to the members of the Community who will assist the Community in the fulfillment of its purposes and also any other person whose adoption is approved by the Secretary of the Interior.

There is an enrollment form that must be filled out prior to becoming a Tribal member. The form is available at the Administration building. Additional paperwork such as a birth certificate and social security card are also needed before the Enrollment Committee can proceed. The Enrollment Committee meets quarterly to review enrollment requests and issues.

For more information regarding enrollment, contact Jackie Kang at (906) 723-2601.

# Higher Education Program

The Higher Education Program is for Tribal members and descendants who wish to secure a scholarship specifically used to defray the cost of post-secondary education. Applications for the program as well as other necessary forms can be picked up at the Higher Education office. The office is located within the Administration Building, *N14911 Hannahville B-1 Road, Wilson, MI 49896*. Any questions can be directed to the Director of the Program, Anna Larson at (906) 723-2623.

Listed below are the required Higher Education forms. If you are planning on attending college, the following forms need to be filled out:

## •FINANCIAL AID FORM

This information is needed by the college to determine your “unmet” need for Higher Education funds (tribal scholarship). If you don’t complete this form, you will be considered “pending” until completed and/or ineligible for Higher Education funds. Form can be filed online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov)

## •MICHIGAN INDIAN TUITION WAIVER FORM

*Applies to the state of Michigan colleges ONLY for any tribal member of a US Recognized tribe with 12 consecutive months of residency.* Fill out and return with a copy of your drivers license, tribal identification card, and/or other proof of residency (no proof will delay verification of application)

## •COLLEGE ADMISSIONS APPLICATION

Fill out application (college of choice) and mail or take to them. When you receive your acceptance letter, send a copy to Higher Education Office for your files.

## •HIGHER EDUCATION SCHOLARSHIP APPLICATION

Once received, a student needs analysis is submitted to the financial aid office.

## •HIGHER EDUCATION ASSISTANCE CONTRACT

This is a legal agreement between yourself and Hannahville Indian Community stating that you will maintain satisfactory progress while attending college while receiving Higher Education funds through the tribe.

## •RELEASE OF INFORMATION

This is an authorization signed by you to allow the college of your choice to release financial aid and course enrollment information to the higher education office.

## •PERMISSION TO ACCESS COLLEGE WEBSITE

This is a permission form signed by you to allow the Higher Education Director access to your file through the college website. Access will only be gained when you fail to submit your grade report within thirty (30) days of the funded semester end date.

## •CHECK RELEASE

This is an authorization for others to pick up your check(s).

Once enrolled in the Higher Education Program, the following information must be sent to the Higher Education Director every semester:

## •SEMESTER SCHEDULE

This is your course enrollment for the current semester. This needs to be a final document as your scholarship is based on the number of credits you are taking.

## •GRADE REPORT

This is your “report” card for the current semester. This MUST be submitted at the end of the current semester you are receiving assistance from the tribe. You must have a 2.00 GPA to be eligible for the grade incentive. If you do not maintain the 2.00 GPA requirement, you still need to turn in a grade report. Failure to do so will affect future consideration for funding until submitted.

# FACE

CONGRATULATIONS to FACE preschool teachers and parents – your children are ready for school! And special thanks to FACE principals and coordinators, for your leadership in making FACE programs successful.

Evaluation shows that FACE prepares three- and four-year old children for kindergarten. The National Center for Family Literacy wants you to know that your hard work and dedication to preparing preschool children for school is recognized.

With the President's emphasis on early childhood education programs for three- and four-year-old children, we can't help but share the good news about FACE preschool programs! After 23 years of FACE, we know WHAT WORKS for FACE preschool children. Here is what we know:

## **Program Impacts**

### **Early Childhood Education – TEACHERS USE CURRENT, RESEARCH-BASED PRACTICES!**

- FACE uses the HighScope approach for preschool, a curriculum approach that works well in populations of high need and poverty, as indicated by the Perry Preschool Project study.
- Early childhood teachers align teaching practices with the FACE Early Childhood Standards which were instituted by the Bureau of Indian Education, and are currently being revised to align with Kindergarten Common Core Standards.

### **Early Intervention – CHILDREN GET THE SPECIAL SERVICES THEY NEED!**

- Children in FACE are screened for delays and are provided the appropriate special education services.
- Due to early intervention, FACE preschool children are half as likely to require services for special education at Kindergarten.
- After a year of FACE, preschool children with special needs score near the national average, lowering the need for costly, long-term special education.

### **Children's Language and Literacy Development – CHILDREN MAKE GAINS IN LANGUAGE DEVELOPMENT!**

- Children leave FACE preschool with significant and meaningful increases in expressive language development.
- FACE implements a research-based reading strategy for preschool children called dialogic reading. FACE preschool children's vocabulary and language comprehension have increased as much as from the 7th to the 45th percentile, a significant and meaningful gain.
- FACE impacts preschool attendance. The higher preschool children's attendance rates, the greater their gains in language development and vocabulary.

### **School Readiness -- CHILDREN ARE READY FOR SCHOOL!**

- FACE promotes preschool children's school readiness through direct, significant, and meaningful impacts on preschool attendance, increased access to books and literacy resources, and increased literacy activity in the home.
- An additional year of preschool increases the number of children who both attend with high frequency and score at or above the national average.

### **Parent Engagement – PARENTS SUPPORT CHILDREN'S ACADEMIC ACHIEVEMENT!**

- Parents are the key and the powerful force in the impacts for children. FACE supports an intergenerational approach to learning.
- FACE parents more frequently read to their child, listen to their child read, help with homework, and tell stories to their child in the Native language.
- More FACE parents visit their child's classroom, attend parent-teacher conferences, provide culturally related assistance in school, attend school events, and school workshops than do non-FACE parents.

The FACE program is an intergenerational approach to breaking the cycle of low literacy and poverty in American Indian families. It is a long-term, successful program that impacts families—children and adults—and changes lives. For more information about the Family and Child Education (FACE) program, contact the Bureau of Indian Education (BIE). The National Center for Family Literacy provides contract services to the BIE for center-based preschool professional development and technical assistance.

# Vaccines and Summer Tips

Last year a grant funded the rabies vaccine clinic held in the Community. For those who may be waiting for that to return, funds are not currently available. Any pet, that received their first rabies vaccine last July should get their pet into a vet for this year's rabies vaccine. This second vaccine is then good for three years - but you have to get them in for it.

A quick review of recommended vaccinations, for this area, tend to be the following (although every clinic can be a little different, this is a good guideline):

## **DOG VACCINES**

Rabies Vaccine  
Canine Distemper  
Infectious Canine Hepatitis  
Parvo vaccine  
Lepto vaccine (for leptospirosis)  
Lyme's Disease vaccine

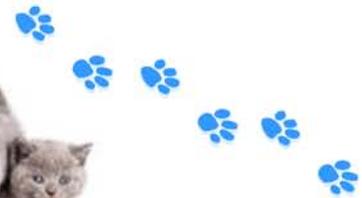

If you have a dog, you should have him/her tested for heartworms. These are transferred by mosquitoes from one dog to the next. If left untreated, they are fatal.

## **CAT VACCINES**

Rabies  
Feline Distemper  
Respiratory Disease  
Feline Leukemia

## **SUMMERTIME REMINDERS**

**Never leave your pets in a parked car.** On a warm day, temperatures inside a vehicle can rise rapidly to dangerous levels. On an 85 degree day, for example, the temperature inside a car with the windows opened slightly can reach 102 degrees within 10 minutes. After 30 minutes, the temperature will reach 120 degrees. Your pet may suffer irreversible organ damage or die. If you see an animal in distress in a parked car, contact the nearest police.

**Shade and water are a must.** Anytime your pet is outside, make sure he or she has protection from heat and sun (a doghouse does not provide relief from heat) and plenty of fresh, cool water. Heatstroke can be fatal for pets, as well as people.

**Limit exercise on hot days.** Take care when exercising your pet. Adjust intensity and duration of exercise in accordance with the temperature. On very hot days, limit exercise to early morning or evening hours, and be especially careful with pets with white-colored ears, who are more susceptible to skin cancer, and short-nosed pets who, because of their short noses, typically have difficulty breathing. Asphalt gets very hot and can burn your pet's paws, so walk your dog on the grass if possible.
